Carbon footprint information:

The carbon footprint ‘feet’ images were used to pictorially illustrate the inhaler choices with a lower carbon footprint in each class.

Further Information on inhalers and carbon footprint can be found in the following link: <https://www.prescqipp.info/our-resources/bulletins/bulletin-295-inhaler-carbon-footprint/>

Version	1.0 Harmonisation of Hertfordshire Medicines Management Committee (HMMC) guidance and West Essex Medicines Optimisation Programme Board (WEMOPB) guidance updates include: <ul style="list-style-type: none"> • Rebadging with HWE ICB and removal of WECCG header • Review date removed and replaced with standard statement.
Developed by	HWE ICB PMOT
Approved by	WEMOPB and HMMC
Date approved/updated	WEMOPB June 2022 and HMMC March 2022
Review date:	The recommendation is based upon the evidence available at the time of publication. This recommendation will be reviewed upon request in the light of new evidence becoming available.
Superseded version	1.0
